C-PEER Collaborator SOURCE Account Set-Up Instructions

If you already have a Digital Commons® account, you do not need to create a new one. If this is the case, please note that the email address associated with your account MUST be the email address provided to the Repository Manager by Dr. Kent Seidel. If you need to update your email address, please see page 3 of this document for instructions on how to do so.

- 1) Go to the [SOURCE website](http://source.ucdenver.edu/) [http://source.ucdenver.edu/]
- 2) Click on “My Account” on the top left gold navigation bar.

- 3) Enter your email address in the “Email Address” field and click the **Login** button. *Do not enter anything in the password field.*

Note: This email address would be the one provided to the SOURCE Repository Manager by Dr. Kent Seidel. Please make sure to confirm the correct email address if you typically use more than one.

- 4) Fill out the form on the next screen and click “Sign Up”.

The screenshot shows a registration form on a website. The header includes navigation links: Home, About, FAQ, My Account, and an affiliation: An Education & Human Development Research Community. The main content area contains the following text and form fields:

Please complete this form to create your user account. Use proper casing for names and institution as these fields may be displayed for publication purposes. Bepress neither sells nor rents contact information to third parties.

You will receive an email confirmation shortly.
